

2019 CHRISTOPHER POTVIN SCHOLARSHIP FUND APPLICATION

\$1,000

Do you know what the Christopher Potvin Scholar Athlete Fund is all about?

In 1987, a young teenage boy, Christopher Potvin, was killed in an automobile accident. This young boy was both a good student and an outstanding athlete. Each year the fund gives numerous \$1,000 scholarships based on the fundraising totals of that year.

IF YOU ...

- are a good student (B average or above)
- are a varsity athlete (not the "star" - only a member)
- are a student/athlete who is respected and admired by faculty, coaches, peers, and the community ...

THEN YOU SHOULD APPLY FOR THIS SCHOLARSHIP!

I like to think my son, Christopher, was all the above. That's why with everything else being somewhat equal (athletics/academics), character with good qualities will be paramount in our awarding a scholarship.

*8. Method of selections: Each year five individuals are selected to singly and collectively choose the top 20 percent of the applications given to them. The Potvin family will then select the final number of scholarships to be awarded that year.
